The subscriber agrees to subscribe the IP Telephony SMS Services from RT Communications, under following the below terms & conditions accordingly:

1. RT Communications does not guarantee any specific quality standards in the services. However, it will strive to render the best possible services.
2. RT Communications does not take the responsibility for possible disturbances or congestion in other networks encountered in calling/SMS subscribers of those other networks.
3. RT Communications does not commit itself to make services available in any specific area in Bangladesh within certain dates.
4. RT Communications shall have the right to ask for documents and examine the same to establish the subscriber's identification.
5. RT Communications shall have the exclusive right and jurisdiction to determine the title and ownership of an IP Telephony SMS connection after perusing necessary documents relating to the IP Telephony SMS connection and also shall have the right to suspend the IP Telephony SMS connection in question while determining the same. If any dispute arises regarding the ownership/title between two or more subscribers or claimants, the decision provided by RT Communications in this regard shall be final and conclusive.
6. RT Communications shall have the right to temporarily suspend the services in whole or in parts of its network for repair, maintenance or circumstances beyond RT Communications control.
7. RT Communications shall have the right to refuse to provide the services or terminate the services to the subscriber for not using approved phone. Any decision taken by RT Communications in this regard shall be conclusive and final.
8. RT Communications shall have the right to choose phone numbers for the subscribers and to publish or otherwise use the numbers/address of the subscribers and/or to change the phone number if required.
9. Notwithstanding anything contained herein, RT Communications reserves the right to change, vary, add, substitute or withdraw the service or any other services and RT Communications shall have the right also to change/ vary/ increase/ reduce the tariff charges, prices, validity period, package plans and other offers etc. at any time in its sole discretion for any reason subject to official notification of such offers prior to giving effect to such changes.
10. RT Communications shall have the right to disconnect, suspend or bar the services for giving false information for changes in the given information, which is not informed to RT Communications.
11. RT Communications shall have the right to scrutinize or procure any relevant document(s) possessed by the potential subscribers or existing subscribers which may be required by RT Communications.
12. Subscribers shall be under obligation to pay Government Royalty and License fees and any other fees under any name as fixed by the Government from time to time to continue service with RT Communications. No separate challan or license paper for payment of the same shall be issued. RT Communications shall have the right to disconnect any subscriber temporarily or permanently for non-payment of such Government Royalty and License Fee and other fees within the stipulated time. Any decision taken by RT Communications in this regard shall be final and conclusive.
13. Subscribers may obtain call/SMS details of his/her IP Telephony connection as per RT Communications policy, which may be revised from time to time.
14. RT Communications shall have the right to provide with any information including call/SMS recording/details of the subscriber to the law enforcing agencies as and when required by the law of the land.
15. RT Communications shall not bear any responsibility nor shall it be liable in any manner whatsoever for or in connection with any obscene and/or threatening and/or insulting messages of whatever nature as well as any fraud committed through its IP Telephony SMS service by any subscriber/user/consumer at any time.
16. RT Communications shall reserve the right to communicate any of its offers and services related communication and/or message to its subscribers/consumers at any time and in any manner whatsoever as it may deem necessary in order to keep its subscriber and/or consumers updated from time to time.
17. IP Telephony connection and corresponding account in RT Communications system are the sole responsibility of the subscriber. RT Communications is not liable for usage including use/ misuse/ fraud/ forgery and the like perpetrated by anyone including but not limited to the subscriber or any third party and not liable for any act or omission of any dealer or third party.
18. RT Communications shall strive to offer the best service quality; however, the quality, reliability and availability of service is not guaranteed as the same are dependent on various technical, physical, topographical, atmospheric, environmental, regulatory, legal and such other factors. RT Communications shall not be liable or responsible for any defect/deficiency in the same. In addition,

RT Communications is entitled to, without any liability, refuse, limit, suspend, disable, delete, vary and/or interrupt service for any part thereof, for one or more Subscribers, at any time, in its sole discretion, without notice and assigning any reason.

19. The Subscriber cannot use the service(s) for any unlawful or abusive purposes, or for sending obscene, indecent, threatening harassing, unsolicited message or message adversely affecting/infringing upon national, social or economic interest, nor create any damage or risk to RT Communications or its network and/or other subscribers. Under such circumstances RT Communications shall have the right to discontinue the service.
20. Customer Premise Equipment(s) are the properties of the subscribers. RT Communications shall not be responsible in any way for the repair, maintenance or for fixing of any, service problem of the equipment(s). RT Communications shall not be responsible for replacing them in case these are lost/stolen/damaged.
